**Re: Evoqua Water Technologies – Parker, Arizona Facility
USEPA ID No.: AZD 982 441 263
Supplement to Modification No. 010 – Class 1 With Director Approval:
Transfer of Ownership And Operational Control from Evoqua Water
Technologies LLC to Desotec US LLC**

Dear Ms. Trombadore:

In response to a request by email from EPA Region 9 permitting staff on March 27, 2023, Evoqua Water Technologies LLC (“Evoqua”) and Desotec US LLC (“Desotec”) hereby submit a supplemental statement in support of their March 15, 2023 Class 1 permit modification notification (the “Application”) to the Environmental Protection Agency, Region 9, for the Hazardous Waste Permit (the “Permit”) issued to the carbon reactivation facility located at 2523 Mutahar Street on the Colorado River Indian Reservation in Parker, Arizona (the “Facility”).

As requested by EPA Region 9, Evoqua and Desotec state that they incorporate by reference the existing Permit into their pending Application (including Modifications 001 – 009), as the Permit existed on March 15, 2023, the date of their Application. There have been no changes to the Permit from that date to the date of this letter. The Permit and all of the Modifications can be accessed at the following link (as previously shared in the original application):
